Mr. Clark

His

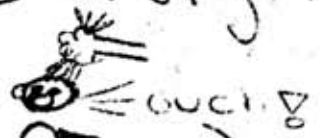

N.U.T.s !!!

Mr. Clark (☹️?;:;)

Mr. Clark, that's our teacher,
We're telling you he's quite a preacher.
He's six foot two and his eyes are blue,
We sure do wish he had the flu.

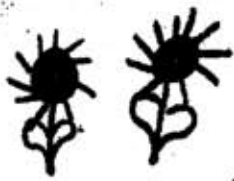

By day he scream, By night - he fights,
We all think he's quite a sight.
He pulls our hair,
Til it feels quite bare (☹️?!;:;)

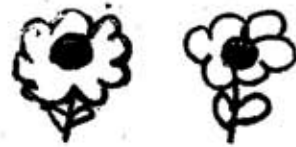

We had Mrs. Orseck for half a year,
When she left, she shed not a tear.
When we had her it was smooth as syrup,
We sure do wish she hadn't flown to Europe.

And the teacher of room 30,
We're telling you,
He sure fights dirty. (☹️?!;:;)

The School Year

Sept. 3 was our first day at school. We met our teacher Mrs. Orseck.

We had a ball. We also had a party for Mrs. Orseck because it was her birthday. The class had a great time doing our play in November.

December was another great month because of the Christmas Vacation and there was no school.

January we didn't do much but the last week Mrs. Orseck left the school.

In February we got a new teacher, Mr. Clark. He is six feet, two inches tall.

In March and April we had the Easter Vacation and two howling parties paid by the school.

In May we didn't do much. I don't know why but that's the way it happened.

June was different we had a conservation field trip and a trip to New York City to visit the Museum of Natural History. Now we have a graduation in which we graduate from sixth to Jr. High.

Paragraphs About The Students

Stuart Berg

Stuart is a very noisy guy. He loves to hit Margorie Ferdon in the back with his drum sticks, because that's the only thing he does good with them. But, all of the boys like Stuart, and some of the girls.

Deborah Martin

Deborah likes to do extra things for science. She also likes to help other people. She is very good at sports. Deborah is very kind and she is a good friend.

Jimmy Lippelt

Jimmy likes to wear ties and fancy bell bottoms. He also likes to have long hair. The thing he does best is cut up paper and make a mess.

Debbie Ferland

Debbie loves to chew gum. She also likes to talk. The thing she does worst is work. Debbie is a very special friend of everyone.

Steven Sprage

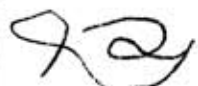

Steven is a very quiet boy. He hardly ever gets in trouble. He likes to try to get gum from Charles Gregory. Steven is a fairly smart boy.

Ivy Reeves

Ivy is very nice to everyone, even the boys. She has many sayings, such as, "I don't want any more of this nonsense." She enjoys gym very much. Everyone just adores Ivy.

 Mary Muhlig 

Mary is a gal for wearing short dresses and beads. She loves to do her homework while the class is watching a movie. She also likes to bring candy to school. Mary is a very cheerful girl.

 Charles Gregory
Charles is a guy for chewing gum during class. Also for throwing paper airplanes out of the windows. Sometimes he throws paste on the walls, which makes Mr. Clark very mad. But most of the time Charles is just tinkering with things in the back of the room.

Susan Lindley

Susan is a very quiet girl. She doesn't like sports too much. But she works very hard in other things. She hates to be at the end of the lunch line, but sometimes she has to suffer. Everyone likes Susan very much.

Dale Vandenburg

Dale is always doing nutty things, like falling out of his chair or hitting someone, but missing, then falling flat. He is a very funny guy.

Penny Brush

Penny is a very nice person. She always offers to be at the front of the lunch line. Penny gets sick very often. About once every week. She is very kind and good to everyone.

Erica Taylor

Erica has a very loud mouth. She likes boys, and she likes to clean the room except when she makes the mess. She is nice, most of the time.

Debra Magid

Debra Magid is a very nice girl. She seems to get along with everyone. She is sort of smart in the class but I wouldn't say the smartest! She is also the most popular and the best dress of the class but she doesn't talk too much.

John Le Coney

John Le Coney is said to be a bully. John talks a great deal in the class. In base ball or any other game, he takes everyone else's place plus his own. But he is still a nice guy.

Cindy Parks

Cindy is a very nice, and polite girl. Most of the kids in the class think she and Debra Magid are the nicest girls in the class. And she also, is a very quiet girl. She gets along with every one by the way. ~~Mr. Clark~~ ~~very~~ ~~teaching~~ ~~the~~ ~~class~~ ~~versus~~ ~~to~~ ~~question~~ ~~that~~

Terry Divins

Terry is a very nice boy, but he could also be bad. Terry is a very good baseball player, he is also a very nice

Bruce Caddington

Bruce enjoys saying what ever someone else says because he can't think of anything of his own. He never does his homework, even if he does its only half. Sometimes you feel sorry for him because he has few friends.

Tommy Watson

Tommy is another boy who enjoys the saying, "Bull!" He and his friends talk so much that he sits in the back.

Bruce Katz

This year Bruce Katz has been a little cry baby. He knows every word in the dictionary and use them in the class room. (nobody no's what they mean).

Vincent

Vincent is a nut. But  friendly one.  at the beginning of the year he wanted his name to be Jimmy, but when ever you talk to Jimmy L. Ppelt he thinks you're talking too him.

Ginny Hansen

Ginny is another nice girl in ~~the~~ class room. She is very musical, which, means she can play just about any instrument. Ginny is very smart when she want to be but sometimes she talks alot.

Jerry Muller

Jerry is smartest boy in the class, but sometime he will say dirty things aloud in the room.

Adria Hering

Adria is a girl that enjoys talking. She has never had or started a fight with anyone. (But sometimes she falls out with her best friend Marge)

Marge Fendon

Marge is a good baseball player. She dislikes know-
one. She likes everyone in the class, and we all like her.

Michael Mc carty

In class Mr. Clark (our teacher) by question that he asks
mike is smart, but he makes shout answers to

Success

When you get what you want in your struggle for self
And the world makes you king for a day,
Just go to a mirror and look at yourself
And see what that man has to say.

For it isn't your father or mother or wife
Whose judgement upon you must pass,
The fellow whose verdict counts most in your life,
Is the one staring back from the glass

You may be like Jack Horner and chisel a plum
And think you're a wonderful guy,
But the man in the glass says you're only a bum
If you can't look him straight in the eye.

You may fool the whole world down the pathway of years
And get pats on the back as you pass,
But your final reward will be heartache and tears
If you've cheated the man in the glass.
